

Based on the book, *Vision Map*, by Joël Malm (Moody Press)

There is a gap between where we are and where we see ourselves in our biggest dreams. This gap can seem insurmountable, overwhelming, and even impossible. But here's the thing: God often gives us a unique message to share or a difficult problem to solve, and we just need a simple push in the right direction. *Vision Map* books can be ordered [HERE](#).

## **Week 1      Get Clear About The Vision**

**Text:** Nehemiah 1 & 2

**Big Idea:**

Everyone has a vision. A vision is simply a picture of what the future could look like. Your personal vision should start with a burden to accomplish God's purposes and plans for your life. You must be clear about what you are trying to accomplish. If you aim for nothing, you'll hit it every time. Aim for something!
