Serving in Christ's Name:

It looks different in these times we are not meeting in person. Here are two opportunities from our two Missional Communities that you can participate to Love our Neighbor. (The Hand2Hand note has changed a bit).

Love INC

- Deliver Food to homebound people. We are identifying people who need food delivered to their house who are under-resourced. This is for anyone in the community not just those in the Love INC program. You would pick up from Love INC Distribution center and deliver it to the person in need.
- Coordinate Delivery drivers from home.

Hand2Hand

- Help us deliver hand2hand bags to kids from Baldwin Middle School. We need some folks under age 65 (sorry about that) who are willing to deliver food to the door steps of students in the Hand2Hand program. Contact Jon Lampen (616-260-6008) if you are interested.
