In-Person Worship will be outdoors under a tent in the back parking lot this Sunday and next Sunday. We will be setting up a certain number of chairs socially distanced, but you can also bring your own lawn chair or camp chair to find a comfortable, but socially distanced spot to worship. **Important Notice for Online Worshipers:** We will not Livestream these services simultaneously, but we will be recording them and posting them to YouTube later on each Sunday. We will resume Simultaneous Livestream on August 23.

"Thank You for your recent donation to GVSU Campus Ministries. We are deeply grateful for your support as we continue to minister to students

at Grand Valley State University. Gifts like yours help us to reach over a thousand students each year as we share the gospel on campus and disciple leaders who make disciples. To catch a small glimpse of the work God is doing in the lives of his people, check out 'CM Stories,' our blog with stories highlighting God's faithfulness in the lives of our current students and alumni!"
